

Announcements

"Thank you to all who helped collect stuffies to add to the Christmas Baskets being supplied by the Food Bank. Through your generosity we will be able to include a stuffed toy for every child whose family is registered to receive a food basket this December."

Covid & Flu Shots are now available by registering on **Clic Santé** on the internet.

Thank you, Brian Cadoret Banque Alimentaire Resurrection de Lachine /
Resurrection of Lachine Food Bank

Please Note: We will accept stuffie donations up to Sunday, October 12th

St-Lambert United, 415 Mercille, St-Lambert, Qc., is having a Christmas Market on
Saturday, Nov. 22, from 10:00 to 16:00

St-Genevieve United – Grief & Loss Support Group

Are you experiencing Grief or Loss? Ste-Gevevieve United Church is starting a Grief & Loss Support Group open for all in the West Island Community. Loss is difficult and can be messy, you don't have to go through it alone.

Join Ste-Genny's Community as we walk through loss together. The type of Loss does not matter. You could be grieving the death of a spouse, child, family member or friend or you could be grieving the loss of a person due to illness that makes them not fully themselves (Alzheimer's or Dementia) Or you maybe grieving something totally different (loss of country, retirement, job, lifestyle, friendship, pet loss etc.).

It's an 8-week session on Tuesdays from 10:30 – 12:00 starting October 28 until December 16. If interested in this Support Group, please contact Rev. Joëlle at joelle.stegennys@gmail.com or call 514-626-4795.

IMPORTANT INFORMATION: Training to become a Licensed Lay Worship Leader (LLWL):

This message is being sent out to all congregations regarding those who are interested in taking the LLWL training courses offered online by Canadian Shield Regional Council through United in Learning/ChurchX. Although anyone may take this course for their personal interest and to be able to preach in their home congregation, at this time within our regional council we are placing a moratorium on licensing students who have taken this course. The online courses are okay as continuing education, but just not sufficient

for LLWL training. It is imperative that anyone currently taking the course inform us and we will have a conversation with them. As we are not aware of ALL who are taking this course, we are asking the help of all ministers, church secretaries, chairs of the Board etc to get this message to any current students.

The Licensed Lay Worship Leaders Leadership Team is currently working on alternatives for training to become an LLWL. You may contact us for further details.

Charlotte Griffith, Chair of the LLWL Leadership Team
