MODERATOR'S MESSAGE FOR EASTER

In his Easter video message, Moderator Richard Bott asks: Who are the messengers of the resurrected Christ today? What, if anything, is making it hard for us believe them—and to act on those beliefs?

RESPONDING TO POPE FRANCIS (message from The United Church of Canada)

In a public audience on April 1st, Pope Francis spoke to the First Nation, Inuit, and Métis delegates who had travelled to Rome. Time and care must be taken as we reflect on what was shared. As part of our commitment to the 94 Calls to Action of the Truth and Reconciliation Commission of Canada, the UN Declaration on the Rights of Indigenous Peoples, and the Caretakers' Calls to the Church, The United Church of Canada is seeking the wisdom of the Elders' Council and National Indigenous Council as to how we might respond. The church is invited to pray with the Moderator for the delegates who travelled to Rome.

A NEW HYMN FOR UKRAINE (message from Richard Hall)

Walter Farquharson and I have just written a hymn addressing the Ukraine invasion, "I Will Sing to Our God", which is attached. The tune is not new, composed in 1985, but the words that went with it at the time are now quite outdated and not very useful. Walter did not write the 1985 words, but has written an entirely new set of lyrics to the music. The biblical inspiration is Exodus 15, The Song of Moses & Miriam. The current inspiration is Russia's invasion of Ukraine.

As the situation in Ukraine is timely, we are sending the hymn to various destinations with the invitation to use and copy freely if it is useful to whoever. We are not seeking royalties. Please feel free to forward it to anyone you feel might have use of it. We apologize that we do not have a French language version.

In Loving Partnership, Richard Hall

REGIONAL COUNCIL NEWS

REGIONAL COUNCIL GATHERINGS

SAVE THE DATE: June 4, 2022

Spring 2022 Regional Council Meeting - Daring Justice

For the first time in two years, we hope to gather in person (as well as on Zoom) hosted by Lakeshore Trinity United Church in Pointe-Claire. Learning sessions related to this meeting will be centred on right relations.

The opportunity for additional learning sessions on aspects of living our faith as a regional council is an open door. Please share your ideas about what may be most helpful to our communities of faith by completing this survey:

<https://bit.ly/2022-RC-LearningSessions-Survey>

FOLLOW-UP: Regional Council Gathering (March 11 and 12)

For those who were not able to participate in our March regional council meeting, draft minutes are available at link below. The two-day meeting consisted of a series of five-minute presentations from leadership teams and networks, with two keynote presentations on faith and climate justice by Rev. Wendy Evans (videos available at link below), woven together with worship that involved movement of the body as well as the mind and spirit. Exciting news was shared about significant grants for a range of

initiatives. Several questions to the council, as well as proposed motions by the Living into Right Relations Leadership Circle, lifted up the need for improved communication, dialogue and collaboration between leadership teams, executive and ministry personnel. We were blessed by a conversation between Shanna Bernier and Alma Ransom exploring the deeper meaning of bold discipleship when translating the concept into Mohawk; and by the inspiring words shared by Ben Ryan about what it means to be a bold disciple. Our equity team reminded us of our progress, as well as the work that still needs to be done together in order to create space that is safe, welcoming and supportive of all members. Post-meeting survey results reviewed by the planning team highlighted the areas where participants felt joy and frustration, which will help us build on our strengths and improve on other areas as needed for future events.

EMMANUEL COLLEGE (Toronto)

Rethinking Preaching Conference

Attention seasoned and new preachers, students of homiletics, and participants who seek to "rethink preaching!"

Please join us **April 25-26** (online) for the second edition of the Rethinking Preaching Conference. You can register online at <https://forms.office.com/r/zXq8cWB7bn>

Emmanuel College's Centre for Religion and Its Contexts and Shining Waters Regional Council (The United Church of Canada) are pleased to be hosting this year's conference with the theme "Intercultural Preaching." The challenge of intercultural preaching in the midst of social crises defined by racism, colonialism, and ecological crisis has gripped

preachers in all parts of the world. What's more, online worship and the use of technology are on the rise and have contributed to cultural shifts that challenge long-held assumptions about worship. All prompts us to rethink preaching.

Our keynote speakers, the Rev. Michael Blair (General Secretary of the United Church of Canada) and Prof. Jerusha Neal (Duke Divinity School), along with four workshop leaders and racialized preachers, who engage in intercultural preaching research, will help us rethink and explore intercultural preaching for today.

Visit the conference webpage for full details, including biographies, schedule and registration: <https://www.emmanuel.utoronto.ca/the-centre-for-religion-and-its-contexts/rethinking-preaching/>

Christian Left Conference 2022

The Christian Left Conference 2022, "Creation, Land, and Indigeneity: Resistance on Turtle Island and Beyond," will be held online on **August 5-6, 2022**. This year's conference will focus on Indigenous efforts in self-determination and resistance, as well as the challenge that Indigenous histories, traditions of storytelling, and ways of knowing pose to dominant Eurocentric narratives. Our featured keynote speakers include Carmen Lansdowne, Jenny Te-Paal Daniel and Dan Longboat.

A message from Shanna Bernier

I am writing to tell you about a few awesome opportunities for youth coming up in the next few months.

First of all, I want to announce that we are holding a one day, in person **mini-Youth Forum**, at Cedar Park United Church in Pointe-Claire. This will be **Saturday April 30th, from around 9 am to 5 pm**. For those who would be travelling from far away, I am hoping to coordinate some car-pooling and offer some gas cards to offset the prohibitive cost of fuel! Lunch will be provided and this event is free to attend, with a 10\$ suggested donation.

Registration: <https://forms.gle/y9yQbo7i1GeJ4ncMA>

The second is to say that **United Spirit Camp** will be hosting a week of in-person sleep away camp this summer. After a two-year hiatus, we are back this summer with an amazing fun-packed week of joy and excitement. Camp will be from **June 26 to July 2, 2022**. Registration is now open, and spaces are limited, so act fast to get the Early bird discount **before April 15!** Our theme this summer is *Caring for Creation*.

Registration: <https://sites.google.com/view/campunitedspirit/home>

We are also looking for **counselors**; any youth over 16 can apply for that job here: <https://forms.gle/rSNqfXpn4CaacsMb9>

BEAUREPAIRE UNITED CHURCH

OBITUARY: Lyle Cruickshank (March 27, 2022) – excerpt edited for length

Our sympathies go out to Lyle Cruickshank's family and the community of Beaurepaire United Church, which was part of Lyle's life and work for over 40 years. His considerable talents came to bear in the effort to prolong the life of the Church with a development project that would become Villa Beaurepaire...he was the inspiration and the life force behind the conception, building and successful running of an affordable home for autonomous seniors, which eventually became a vibrant community of its own.

"He was a great guy and a tower of strength in Beaurepaire UC - and the key player in the Villa Beaurepaire project. We give thanks for members like him and remember his generous spirit of warm welcoming most of all."
