From Kairos:

*During this 2 to 3-hour workshop, participants step on blankets representing the land and into the role of First Nations, Inuit and Métis peoples. They are guided by trained facilitators, including Indigenous Elders and Knowledge Keepers, who work from a script that covers pre-contact, treaty-making, colonization, resistance and much more. Participants read scrolls and respond to cues in the script. The KBE concludes with a debriefing, conducted as a talking circle, during which participants discuss the learning experience, process their feelings, ask questions, share insights, and deepen their understanding.*
